

ILIZAROV AWARD OF EXCELLENCE

LUCA DALLA PAOLA, MD

DECEMBER 2018

Luca Dalla Paola, MD, was awarded the Ilizarov Award of Excellence on December 7, 2018, at the 13th Annual International External Fixation Symposium (IEFS) sponsored by the UT Health San Antonio. He is a Professor in the Department of Medical Sciences at Ferrara University School of Medicine and the Chief of the Diabetic Foot Department at Maria Cecilia Hospital, GVM Care & Research, in Cotignola, Italy. His extensive surgical expertise including diabetic limb salvage, Charcot foot reconstruction, and plastic surgery with external fixation, in addition to his educational contributions through numerous publications, lectures, and courses have distinguished him as the honorary recipient of this year's award.
