

You are invited to :

Michael Eskander's

Dissertation Defense

Monday, February 25, 2019 at 1:00pm in LEC-3.102B.00

Michael is a DDS/PhD student and in

Dr. Kenneth Hargreaves's lab.

The title of his defense is:

**“Role of Transient Receptor Potential Vanilloid 1 and
Oxidation in a Rodent Model of Nerve Growth
Factor-induced Persistent Pain”**

Hope you can make it.
