

26th
ANNUAL
ARTHUR H. BRIGGS
LECTURESHIP

Thursday, October 10, 2019 • 12:00pm
409L – Long School of Medicine

Michelle R. Arkin, Ph.D.
2019 Speaker

Lecture Title:

‘Hacking Protein-Protein Interaction Networks’

Dr. Arthur H. Briggs served as Chair of the Department of Pharmacology at UT Health San Antonio from 1968 – 1993 and an annual lectureship has been held in his honor.

This year's guest lecturer is Michelle R. Arkin, Ph.D., Professor in Residence, Department of Pharmaceutical Chemistry, Co-director, Small Molecule Discovery Center, University of California, San Francisco.
