

# PATHWAYS TO CAREERS IN SCIENCE

FEBRUARY 28, 2020

**Friday 3:00 – 5:00 pm**  
**UT Health San Antonio - ALTC 3.302**

## 7<sup>th</sup> Annual Career Workshop

- Highlighting professionals from across diverse career paths
- Career development topics and skills will be discussed
- Round table Q&A format

This workshop provides an opportunity to discuss a variety of career paths available to early career scientists in a unique round table format. A distinguished group of professionals from diverse career paths will offer their critical insights on successfully transitioning into your career of choice. Registration (free) is required for this 2-hour workshop (3:00 – 5:00 PM, Friday, February 28, 2020) that will be held at UT Health San Antonio. Refreshments and light snacks will be provided.

### BBC MEETING ATTENDEES

Free shuttle service between the Embassy Landmark and UT Health San Antonio.
