

UT Health San Antonio

DEPARTMENT OF MOLECULAR MEDICINE
Institute of Biotechnology

Fall 2020 Seminar Series

Gang Wang, Ph.D. <i>“Mediator-ing Lineage-specific Transcription and Diseases”</i>	Fudan University School of Life Sciences	Wednesday, September 30, 2020
Xiaoyong Yang, Ph.D. <i>“Nutrient Sensing and Metabolic Communication”</i>	Yale University School of Medicine	Wednesday, October 7, 2020
Benny Kaiparettu, Ph.D. <i>“Hybrid Metabolic Status and Mitochondrial Energy Reprogramming in Cancer”</i>	Baylor College of Medicine	Wednesday, October 14, 2020
Weibo Luo, Ph.D. <i>“Epigenetic Regulation of Tumor Microenvironment”</i>	UT Southwestern	Wednesday, November 4, 2020
Weixing Zhao, Ph.D. <i>“TBA”</i>	UT Health San Antonio	Wednesday, November 11, 2020
Wei Wang, Ph.D. <i>“Fundamental and translational aspects of epigenomics”</i>	University of California, San Diego	Wednesday, November 18, 2020
Zhenming “Jack” Xu, Ph.D. <i>“B Lymphocytes in Health and Disease”</i>	UT Health San Antonio	Wednesday, December 2, 2020
Tom Boyer, Ph.D. <i>“Molecular Basis of Mediator Subunit MED12 in the Pathogenesis of Uterine Fibroids”</i>	UT Health San Antonio	Wednesday, December 9, 2020

Seminars will take place on Wednesdays 11:00 am – 12:00 pm via Microsoft Teams

For seminar information, please contact Dr. Jason Liu at 210-567-8734 or email LiuZ7@uthscsa.edu
