

## Neurology Residency Block Rotations AY 2024-2025

### UTHSCSA (UT Health San Antonio)

**PGY – 1 (The PGY – 1 year is arranged to correlate with the internal medicine department schedule. Their schedule consists of a 4 week inpatient rotation followed by 1 week of outpatient/ambulatory rotations)**

Week 1 (partial)	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	Week 13	Week 14	Week 15	Week 16	Week 17	Week 18
Internal Medicine Wards (1,2)	Internal Medicine Wards (1,2)	Internal Medicine Wards (1,2)	Internal Medicine Wards (1,2)	Ambulatory (1,2,3)	Internal Medicine - ICU (1)	Internal Medicine - ICU (1)	Internal Medicine - ICU (1)	Internal Medicine - ICU (1)	Ambulatory (1,2,3)	Internal Medicine Wards (1,2)	Internal Medicine Wards (1,2)	Internal Medicine Wards (1,2)	Internal Medicine Wards (1,2)	Ambulatory (1,2,3)	Internal Medicine Night Float (1,2)	Internal Medicine Night Float (1,2)	Internal Medicine Palliative (2)
Week 19	Week 20	Week 21	Week 22	Week 23	Week 24	Week 25	Week 26	Week 27	Week 28	Week 29	Week 30	Week 31	Week 32	Week 33	Week 34	Week 35	Week 36
Internal Medicine Palliative (2)	Ambulatory (1,2,3)	Internal Medicine Elective (1,2,3)	Internal Medicine Elective (1,2,3)	Internal Medicine Elective (1,2,3)	Internal Medicine Elective (1,2,3)	Ambulatory (1,2,3)	Internal Medicine - Emergency Medicine (1)	Internal Medicine - Emergency Medicine (1)	Internal Medicine - Emergency Medicine (1)	Internal Medicine - Emergency Medicine (1)	Ambulatory (1,2,3)	Internal Medicine - Cardiac Care Unit (2)	Internal Medicine - Cardiac Care Unit (2)	Internal Medicine - Cardiac Care Unit (2)	Internal Medicine - Cardiac Care Unit (2)	Ambulatory (1,2,3)	Psychiatry (2)
Week 37	Week 37	Week 39	Week 40	Week 41	Week 42	Week 43	Week 44	Week 45	Week 46	Week 47	Week 48	Week 49	Week 50	Week 51	Week 52	Week 53 (partial)	
Psychiatry (2)	Psychiatry (2)	Psychiatry (2)	Ambulatory (1,2,3)	Internal Medicine - Night Float (1,2)	Internal Medicine - Night Float (1,2)	Internal Medicine - Palliative (2)	Internal Medicine - Palliative (2)	Ambulatory (1,2,3)	Adult Neurology Inpatient (1,2)	Adult Neurology Inpatient (1,2)	Adult Neurology Inpatient (1,2)	Adult Neurology Inpatient (1,2)	Ambulatory (1,2,3)	Vascular Neurology Inpatient (1)	Vascular Neurology Inpatient (1)	Vascular Neurology Inpatient (1)	

### Longitudinal and Clinic Experiences – PGY – 1

Type of Experience	Structure	Number of Weeks	Amount of time (FTE)
<p>Ambulatory Week: The residents spend a portion of this week working on projects with their cohort of internal medicine residents, including internal medicine didactics, internal medicine based quality improvement projects and Transitions of Care. This totals approximately 2 days. The resident also spends ½ day in neurology didactics.</p> <p>The resident will spend ½ day in the continuity clinic at University Hospital.</p> <p>The remaining days of the week will be spent in outpatient clinics at the MARC and at the VA.</p>	The 5 week blocks are structured so that the resident is on an inpatient service for 4 weeks. He or she then spends one week on ambulatory rotations	10 weeks	10 weeks.

**PGY – 2**

Week 1 (partial)	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	Week 13	Week 14	Week 15	Week 16	Week 17	Week 18
Clinical Neuro-physiology EEG (1,2,3)	Adult Neurology Inpatient (1)	Adult Neurology Inpatient (1)	Vascular Neurology Inpatient (1)	Vascular Neurology Inpatient (1)	Continuity Clinic (1,2)	Adult Neurology Inpatient (2)	Adult Neurology Inpatient (2)	Clinical Neuro-physiology EEG (1,2,3)	Clinical Neuro-physiology EEG (1,2,3)	Clinical Neuro-physiology EEG (1,2,3)	Continuity Clinic (1,2)	Neurological ICU (1)	Neurological ICU (1)	Clinical Neuro-physiology EEG (1,2,3)	Adult Neurology Inpatient – Night Float (1,2)	Adult Neurology Inpatient – Night Float (1,2)	Continuity Clinic (1,2)

Week 37	Week 38	Week 39	Week 40	Week 41	Week 42	Week 43	Week 44	Week 45	Week 46	Week 47	Week 48	Week 49	Week 50	Week 51	Week 52	Week 53 (partial)	
Clinical Practice  (1,2,3)	Neurological ICU  (1)	Neurological ICU  (1)	Clinical Neuro-physiology EEG  (2,3)	Continuity Clinic  (1,2)	Clinical Practice  (1,2,3)	Child Neurology  (1)	Child Neurology  (1)	Adult Neurology Inpatient  (2)	Adult Neurology Inpatient  (2)	Continuity Clinic  (1,2)	Clinical Neuro-physiology EMG  (2,3)	Clinical Neuro-physiology EMG  (2,3)	Adult Neurology Consults  (1)	Child Neurology  (1)	Child Neurology  (1)	Continuity Clinic  (1,2)	

**Longitudinal and Clinical Experiences – PGY – 3**

Type of Experience	Weekly Structure	Number of Weeks	Amount of time (FTE)
Adult Continuity Clinic (1,2)	Every 6 <sup>th</sup> week, each resident has six ½-day continuity clinics.	8-9 weeks	45 days
Neuromuscular Clinic (2,3) including Muscular Dystrophy Association Clinic (MDA) (3) and ALS clinic (3) (Resident attends while on Clinical Neurophysiology – EMG as well as during Clinical Practice Rotations.	4 day each week	10 weeks	40 days
Clinical Practice (1,2,3) (Designated clinics as per schedule and resident’s interests. Each week focuses on one subspecialty clinic)	5 days per week	6 weeks	30 days

**PGY – 4**

Week 1 (partial)	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	Week 13	Week 14	Week 15	Week 16	Week 17	Week 18
Elective  (1,2,3,4)	Clinical Neuro-physiology EMG  (2,3)	Clinical Neuro-physiology EMG  (2,3)	Continuity Clinic  (1,2)	Adult Neurology Consults  (1)	Adult Neurology Consults  (1)	Child Neurology  (1)	Child Neurology  (1)	Self-Directed Learning / Backup  (1,2)	Continuity Clinic  (1,2)	Child Neurology  (1)	Child Neurology  (1)	Adult Neurology Inpatient – Night Float  (1,2)	Adult Neurology Inpatient – Night Float  (1,2)	Elective  (1,2,3,4)	Continuity Clinic  (1,2)	Elective  (1,2,3,4)	Elective  (1,2,3,4)
Week 19	Week 20	Week 21	Week 22	Week 23	Week 24	Week 25	Week 26	Week 27	Week 28	Week 29	Week 30	Week 31	Week 32	Week 33	Week 34	Week 35	Week 36
Adult Neurology Consults  (1)	Adult Neurology Consults  (1)	Elective  (1,2,3,4)	Continuity Clinic  (1,2)	Clinical Practice  (1,2,3)	Clinical Practice  (1,2,3)	Clinical Practice  (1,2,3)	Elective  (1,2,3,4)	Adult Neurology Inpatient  (1)	Continuity Clinic  (1,2)	Elective  (1,2,3,4)	Adult Neurology Consults  (1)	Adult Neurology Consults  (1)	Child Neurology  (1)	Child Neurology  (1)	Continuity Clinic  (1,2)	Clinical Practice  (1,2,3)	Clinical Practice  (1,2,3)
Week 37	Week 38	Week 39	Week 40	Week 41	Week 42	Week 43	Week 44	Week 45	Week 46	Week 47	Week 48	Week 49	Week 50	Week 51	Week 52	Week 53 (partial)	
Clinical Practice  (1,2,3)	Child Neurology  (1)	Child Neurology  (1)	Continuity Clinic  (1,2)	Elective  (1,2,3,4)	Elective  (1,2,3,4)	Elective  (1,2,3,4)	Vascular Neurology Inpatient  (1)	Vascular Neurology Inpatient  (1)	Continuity Clinic  (1,2)	Elective  (1,2,3,4)	Self-Directed Learning / Backup  (1,2)	Clinical Practice  (1,2,3)	Elective  (1,2,3,4)	Elective  (1,2,3,4)	Continuity Clinic  (1,2)	Elective  (1,2,3,4)	

**Longitudinal and Clinical Experiences – PGY – 4**

Type of Experience	Weekly Structure	Number of Weeks	Amount of time (FTE)
Adult Continuity Clinic (1,2)	Every 6 <sup>th</sup> week, each resident has six ½-day continuity clinics.	8 weeks	45 days
Clinical Practice (1,2,3) (Designated clinics as per schedule and resident’s interests. Each week focuses on one subspecialty clinic)	5 days per week	10 weeks	50 days

**Notes:**

Residents may take up to 3 weeks of vacation in blocks of 7 to 14 days. Vacation can be taken during Clinic Practice rotations, Electives, or during EEG and EMG rotations.

The composition of Electives is determined by the resident based on their assessment of their needs, but can consist of one or a combination of the following: Neurology general or subspecialty clinics, EEG, EMG, Inpatient neurology services, Neuro-radiology, NICU, Research time, or Educational time.

**Institutions:**

- 1 University Hospital
- 2 South Texas Veterans Health Care, Audie L. Murphy VA Hospital
- 3 UT Medicine Medical Arts and Research Center
- 4 Cancer Therapy and Research Center at UTHSCSA
- 5 University of Texas Health Science Center at San Antonio
