Details

Valorant is a free game but it is possible to use real money to acquire additional content such as weapon skins we summarize everything in the article below valorant riot games fps launched on june 2nd is finally available to everyone for free however like most of the games available on the market you have the possibility to use real money in order to get extra content mainly cosmetic in particular you can get the premium combat pass for free here

Brinksley is a content writer for super easy as an online shopping addict she enjoys discovering deals and coupons to save money and sharing them with more readers she is also obsessed with reading traveling and music and has a particular passion for technology and digital marketing

Valorant has quickly become one of the most played first person competitive shooters out there ever since its release in 2025 players have quickly tried to gather some of the more expensive skins from its daily shop which is mostly only possible through its in game currency in this guide we will be showing you what you can do with valorant points and how you can get your hands on free vp either through the game or from third party websites

More Information

The main selling point of a pass is that you can also earn rewards for free however you must purchase it if you want to unlock more top tier loot even more the games also emphasize that these passes are here for a limited time only

After all the publisher now earns money with its free to play game they also have to think of other costs like tournament production or game developers all you have to remember is that a battle pass is a way for free to play games to make money

Built from the ground up for mobile league of legends wild rift brings the classic 5v5 moba gameplay of league of legends to mobile devices players can team up and test their skills in a game with fresh controls and a streamlined feel designed for touchscreens

So the more resources they can offer you in the game the more publicity they will have outside the game this is not a bad deal and it all depends on your creativity and enthusiasm while playing as well as your responsibility

Games categorize these rewards into different tiers which offer better loot with every game played however free to play video games also allow players to unlock every reward by purchasing the full pass

Riot games and xbox join forces in a partnership that welcomes riot s biggest titles to xbox game pass as two of the most passionate gaming communities in the world come together we re excited to share our love of player focused competitive games with xbox players in a first for game pass our partnership extends beyond pc to include riot s mobile only and mobile accessible titles with a riot account and game pass membership players can unlock premium xbox game pass rewards and member only benefits across our games starting december 12th

Conclusion

Valorant points vp are an in game currency that you can buy in valorant they re not cheap by any measure and to buy yourself roughly 500 of these will set you back about 5 dollars that s almost half the price of a battle pass that you d be buying for the game

If your game pass membership changes your benefits will be affected in game if your game pass membership expires your in game benefits will be lost if you start or re

activate a game pass membership anytime after your xbox profile is linked to your riot account you ll unlock benefits in game benefit gain or loss may take up to 24 hours to process
