Have been using prizerebel com for years now and i have to say it s the best rewards site ever i like the many different rewards that are available and the awesome offers to complete thanks for the gift card

The site has been criticized for the low level of pay offered in exchange for most hits however amazon mechanical turk was never really meant as a replacement for a full time job it can be a nice way to supplement your income if you re otherwise employed

You can also earn free amazon gift cards with magicpin it is a rewarding app that helps users earn points for free the points earned by users can be redeemed for various benefits including free gift cards from amazon flipkart and other leading e commerce platforms

More Information

Like mobilexpression another way to earn extra passively by installing software onto you phone the mediacell app monitors your usage and will earn you a 20 amazon voucher after 1 month after that you will earn 10 per month for installing the software

Now here's a trick you should always keep in mind if you want to get an Amazon card for someone as a present you can but you can also just enter your email address as the e-gift card recipient that way you're not spending any cash at all instead you're simply loading \$50 onto your own Amazon.

But the big news is that there are also some Amazon gift card deals that anyone and everyone should take advantage of immediately after all there's nothing better than getting free cash from Amazon.

On the website you'll find a listing of major online stores with a percentage attached to each one. This percentage lets you know how much cash back you'll receive when you shop at that store through Rakuten to earn cash back simply sign up for a Rakuten membership and then click on the store you want to shop at through the Rakuten website or app. Rakuten will track your purchases and provide you with your rewards.

For those unaware Amazon Pickup is a service that delivers your order to a local Amazon Locker location at a hub or partner store that way you'll never have to worry about porch pirates stealing your order. I just checked my own address and there are five different Amazon Pickup locations within 5 miles of my home that's a good indication that most people will have plenty of options.

Here is a trick if you choose female as a gender at the time of registration you will get higher payouts. Valued Opinions is a genuine online survey site that rewards users for sharing their opinions. Daily you will do 1 to 3 surveys which ensure you earn a good amount. The voucher will be sent to your registered email ID.

Conclusion

Mechanical Turk is actually a site owned by Amazon. This is a crowdsourcing marketplace where businesses or individuals looking for the public to complete various tasks. There are plenty of tasks available and the more you complete the more you earn. You can then withdraw your earnings into your Amazon account.

As a tip if you receive a physical gift card add it using the app. Follow the steps above and choose the scan your claim code option using the camera on your phone and the app will upload the code automatically.
