Warhammer 40,000 darktide is a first person co-op action game that works similarly to warhammer vermintide 2. Yourself and up to three additional friends are to take on waves of enemies to spice things up a little further. You're able to choose your own class appearance and gender so you can delve into the rpg side of things.

## Conclusion

It's not all about the gameplay though. There's plenty of hidden lore to unearth the roots of which will leave you mulling over the history of this forgotten creepy crawly kingdom.
