

Fungus Testing Laboratory / Antifungal Drug Levels
Department of Pathology & Laboratory Medicine
University of Texas Health Science Center at San Antonio
7703 Floyd Curl Drive Mail Code 7750
San Antonio, Texas 78229
(210) 567-4131

As a College of American Pathologist accredited laboratory, we are required to comply with the General Laboratory Checklist question GEN.22875 that asks “Have the referring physicians’ and patients’ satisfaction with the laboratory service been measured within the past 2 years?” We would appreciate you taking a moment to answer the following questions about our services. If you encounter any problems or are dissatisfied with our services, please contact our Laboratory Director, Dr. Nathan Wiederhold @ 210-567-4086 or our QA Manager, Lauren Chesnut @ 567-4052.

1. Are your calls handled promptly and courteously? Yes ___ No ___
2. Are turnaround times satisfactory for your needs? Yes ___ No ___

Please indicate your satisfaction with services provided by our laboratory using the following scale 1-5 with 5 being the best.

Antifungal Susceptibility Testing	1	2	3	4	5	NA
Yeast Species Identification	1	2	3	4	5	NA
Mould Species Identification	1	2	3	4	5	NA
Antifungal Drug Leve Measurement	1	2	3	4	5	NA
Answering Questions Regarding Testing	1	2	3	4	5	NA
Troubleshooting	1	2	3	4	5	NA
