LSoM> Forensic Pathology

The UT Health Department of Pathology does not offer a fellowship in Forensic Pathology, however, the Bexar County Medical Examiner's Office, located on the UT Health campus, does offer an ACGME accredited one-year fellowship in Forensic Pathology. The BCMEO also serves as the forensic pathology training site for pathology residents at UT Health and SAUSHEC (San Antonio Uniformed Services Health Education Consortium).

[Click here for more information about the Bexar County Medical Examiners Fellowship training.](#)
