

**University Hospital/UT Health**  
**Histotechnology Training Program**  
**Emergency Care**

The University Health System will provide care in the Emergency Department in the case of on-the-training injury, provides bench space in the anatomic laboratories for practicum, and provides clinical supervision of at least one qualified supervisor for each trainee during the practicum. (Refer to the Affiliation Agreement) During the interviewing process, applicants are asked about health insurance and a pamphlet describing a membership program for Bexar County residents who do not have health insurance and are not eligible for other programs is given to them. Care Link offers families a monthly payment plan that is based on their income and family size. It also helps families get quality health care at University Health System. The phone number to call is 210-358-3350 or 1-200-844-6202.
