

UT San Antonio

FALL 2026 SEMINAR SCHEDULE

Mondays at 12:00-1:00pm

Date	Room	Speaker	Title
SEP. 14	LSOM 444B	Maria A. Gonzalez Porras, Ph.D. Assistant Professor Department of Biomedical Engineering and Chemical Engineering University of Texas at San Antonio	<i>"Reengineering Fat: Nanomaterial-Enabled Platforms to Modulate the Adipose Microenvironment and Metabolism"</i>
SEP. 21	LSOM 444B	Jason Pugh, Ph.D. Professor Department of Cellular and Integrative Physiology Long School of Medicine University of Texas at San Antonio	<i>"Dystrophin on the Brain: Unraveling Synaptic Deficits in Duchenne Muscular Dystrophy"</i>
SEP. 28	LSOM 444B	Swati Banerjee, Ph.D. Associate Professor Department of Cellular and Integrative Physiology Long School of Medicine University of Texas at San Antonio	<i>"A Molecular Regulator at the Crossroads of Neurodegeneration"</i>
OCT. 12	LSOM 444B	Pablo M. Paez, Ph.D. Department of Pharmacology and Toxicology Jacobs School of Medicine & Biomedical Sciences University at Buffalo	<i>"Chemogenetic Regulation of Calcium Signaling in Myelinating Glia: Mechanisms Controlling Development and Myelination"</i>
OCT. 19	LSOM 444B	William Severa, Ph.D. Associate Professor College of AI, Cyber and Computing University of Texas at San Antonio	TBA
NOV. 02	LSOM 444B	Gisela A. Camacho-Hernandez, M.S., Ph.D. Assistant Professor Center for Addiction Sciences and Therapeutics Department of Pharmacology & Toxicology University of Texas Medical Branch	<i>"Illuminating the Monoamine Transporters Uptake 1 and 2: Development of Pharmacological Tools and Potential Therapeutics"</i>
NOV. 16	LOSM 444B	Oscar Vivas, Ph.D. Assistant Professor Department of Pharmacology Department of Physiology and Biophysics University of Washington	TBA
DEC.07	LSOM 444B	Joshua C. Drake, Ph.D. Associate Professor Molecular and Cellular Science and Health Sciences Department of Human Nutrition, Foods and Exercise Virginia Tech	TBA
DEC.14	LSOM 444B	Harpreet Singh, M.Sc. Ph.D. FAHA FCVS Professor Dept. of Physiology and Cell Biology College of Medicine Ohio State University	TBA
