

Education

Tuesday AM (In person)

Friday AM (Virtual); Friday PM (Scholarly Activity / Electives)

Education at UT Health SA

UT Education (Tuesday 9 AM – 12PM / Tuesday 3-5 PM)

- Supplemental Didactics
- Case Rounds
- Scholarly Activity
- Quality Improvement
- Teaching Residents

Scholarly Activity

- **Quarter 1**: Scholarly Activity = Board Prep for Gen Psych
- **Q2-Q4**: The training program strongly encourages fellows to participate in research and other scholarly endeavors.
 - Case presentations
 - Poster or oral conference presentations
 - Peer-reviewed publications or book chapters
 - Working on QI project
- Support is available for submission to academic journals and presentation at local or national conferences.

Teaching Opportunities

- Fellows may supervise and teach psychiatry residents via:
 - Didactic lectures and case conferences (working with attendings)
 - Joint forensic case assessments (Resident Forensic Rotation)
 - Mentorship on forensic topics and board prep
- Teaching is leadership development and CV enhancement.

Education at UT Health SA

Texas wide Education (Fri AM -- Virtual)

- Weekly Protected time on Friday AM:
 - Lectures on core competencies of forensic psychiatry hosted by TX-wide faculty and guest speakers
 - Journal Club over Landmark Legal Cases
 - Case Presentations – Group Discussion
 - Mock Trial – practice direct and cross exam, feedback from legal professionals who act as the judges in these trials.
 - Regional In-Person Mock Trial (all day event in May as live mock trial)

Electives

Child & Adolescent

- Juvenile competency evaluations
- Transfer to adult court assessments
- Family court and child custody evaluations
