

RESIDENT CALL SCHEDULES

Call services during off business hours is expected of all of the residents. To help minimize handoffs and detrimental effects of resident absences, it is important to have certain guidelines in place.

1. No vacation or planned leave during June or July
2. No vacation during the first week of any rotation
3. Intern level vacations (15 working days annually) will occur on General Surgery & Urology time equally
4. PGY-2 and PGY-3 leave will be covered by the super sub (PGY-3)
5. PGY-4 and PGY-5 leave will be covered by the super chief (PGY-4)
6. If UHS chief (PGY-5) is on leave, the PGY-4 on UH assumes the chief position and the super chief will be assigned there as assistant chief (PGY-4)
7. Chief level leave from other services will be covered by the super chief (PGY-4).
8. No two residents can be on leave from a given service at a time.
9. All residents, including super sub or super chief temporarily assigned to a service must participate in the call for that service.
10. Urology PGY-2 through PGY-5 call is home call. Residents may, at their discretion, choose to utilize available call rooms in their facility. However, if used, the designation of home call will still be in order and logging should reflect this.
11. Urology PGY-1 rotations at UHS will include two 24hr sessions in-house weekly. During these sessions, the PGY-1 will be first call for the UHS team.
12. UHS call coverage teams will include:
 - a. PGY-1 in-house call, PGY-2 or PGY-3 home back-up call, a PGY-4 or PGY-5 on senior back-up call, and a faculty member on consultation call.
 - b. PGY-2 or PGY-3 home call, a PGY-4 or PGY-5 on senior back-up call, and a faculty member on consultation call.
13. VAH call coverage teams will include:
 - a. PGY-2 or PGY-3 home call, a PGY-4 or PGY-5 on senior back-up call, and a faculty member on consultation call.
14. Santa Rosa call coverage will include:
 - a. PGY-2 or PGY-3 home call, a PGY-4 or PGY-5 on senior back-up call, and a faculty member on consultation call.
15. Methodist call coverage will be divided equally between the PGY-3 and PGY-4 resident on service.
16. Patient care duty hours including home call times must be logged contemporaneously in New Innovations.
